

WIKTOR RUDZKI

APPLIED COMPUTER SCIENCE
STUDENT

PROFILE

I am a 2nd year student of Applied Informatics at Cracow University of Technology. On a daily basis, I educate myself in the broad field of front-end web development. I am looking for a job that will allow me to enter the world of programming, and my high ambitions and constant desire to develop will enable me to work effectively with my future co-workers.

EXPERIENCE

Active participation in the .NET study circle of the Cracow University of Technology:

- using and promoting the latest technologies, such as React or .NET Core

No professional experience

EDUCATION

2018	2021
TADEUSZ KOŚCIUSZKO HIGH SCHOOL IN JAWORZNO	
MATHEMATICS AND COMPUTER SCIENCE PROFILE	

2021	NOW
CRACOW UNIVERSITY OF TECHNOLOGY OF THE NAME OF TADEUSZ KOŚCIUSZKO	
APPLIED COMPUTER SCIENCE	

INTERESTS

My interests outside of developing my 'front-end' skills are mainly sports, both on the practical and fan side. I am also interested in part in new technologies, business and astronomy.
