LANGUAGES

- English - C1 level
- Polish - native

PROFILE

I am second year student of Applied Computer Science on Krakow University of Technology. I have been interested in web development using React.js library for a long time.
I would like to take my programming projects on the new level - the professional level which is going to allow me to create more complex and optimised applications.

EXPERIENCE

Active participation in the Cracow University of Technology .NET studying circle:

- working with React.js and .NET Core technologies

Creating educational projects:

- Betgit - betting matches with my friends for the entertainment purpopses - https://betgit.wiktorrudzki.pl/
- Schedule formatter - scrapped schedule of my study major in order to make it easier to work with it - https://schedule-formatter.wiktorrudzki.pl/
- Todo-Notes - notes and todos in order to improve work organisation - https://todo-notes.wiktorrudzki.pl/
